### MISCELLANEOUS MEMORIES

When one thinks back on the Senior year, there are certain things that will suggest themselves immediately.

The famous clock system with which our school is gifted, guaranteed to tell the exact time of every part of the State, country and foreign countries; except Lewiston, Maine.

The laboratory team of "Ham" Hamilton, "Izz" Stackowitz and "Walter" Cloutier doing a difficult experiment in Physics. "Izz" furnishes the brains, "Ham" the apparatus and "Walie" the arguments.

Besides tardiness, there are numerous other difficulties confronting us in school. Do not feel depressed and heart-broken any day when your lessons are unprepared, because the page was missing from your book. Take your seat with the greatest confidence; kindly request the teacher to explain an example on the blackboard; snatch your brilliant neighbor's Home Work; copy your day's work and mark 100% on your paper, just as "Izzy" Stachowitz triumphantly jotted it down on his Algebra papers.

### *The Latin Club*

In the winter of 1925, a group of boys who were receiving help in Latin from Miss Lange, decided that they would like to form a club, which would meet evenings to study some of the subjects that were troubling them in their school work. The idea was discussed with Miss Lange who gave it her approval and consented to act as faculty adviser and honorary president of the club. Thus began a new organization at Jordan High.

The first meeting was held late in February of 1925 with nine members: Harry Baron, Leo Bernard, Russell Carroll, Pandaleon Frangedakis, Guy Herrick, Franklin Larrabee, Guy Paradis, Isidore Stachowitz and Charles Wing. Later on in the year Thomas Eccleston, Donatien Dionne, Malvin Gottesfeld, Oscar Sprince, and from the Junior Class, George Pottle and George Ashton were admitted, bringing the total membership to fifteen. As Latin was the subject that was primarily causing the difficulties, it was decided to call the club a Latin Club, with the name 'Sodales in Studiis' which means, in English "Companions in Study." The club adopted for its motto, "Studium omnia vincit,"—Study conquers all things.

# MARRIAGE CERTIFICATE

This is to Certify that

On the fifth day of the week, the twenty-fifth  
day of the month Tishri in the year 5705  
corresponding to the twelfth day of October  
1944, the holy Covenant of Marriage was entered into in \_\_\_\_\_  
74 Mason St., Biddeford, Maine between  
the Bridegroom ISADORE STACKOWITZ and his Bride  
ANNE THORNER

The said Bridegroom made the following declaration to his Bride :  
"Be thou my wife according to the law of Moses and of Israel. I  
faithfully promise that I will be a true husband unto thee. I will  
honor and cherish thee; I will work for thee. I will protect and support  
thee, and will provide all that is necessary for thy due sustenance,  
even as it becomes a Jewish husband to do. I also take upon  
myself all such further obligations for thy maintenance, as are  
prescribed by our religious statute

And the said Bride plighted her troth unto him, in affection  
and sincerity and has thus taken upon herself the fulfillment  
of all the duties incumbent upon a Jewish wife.

This Covenant of Marriage was duly executed and witnessed
